How I Feel

~How I Feel~

We find our lives in danger

Every single day

And so my greatest hope

Is that we make it out OK

I may seem to protective

And maybe that is true

But the only reason why

Is because I care for you

All of you are special

And you are all my friends

And I know that we will fight together

until the very end

And if I ever lost you

I'd lose part of myself

I'd feel like I were dying

Even in the perfect health
So maybe that's why I'm protective
Of everyone of you
Because if you weren't here
I don't know what I would do
Because living life without you
Would just seem so wrong
And without all of you here
I couldn't seem so strong
Cause it's all of you that make me feel
That I don't have to be afraid
So I just want you to realize
What great friends I've made
So though I am unsure of love
And if it can be true
I do not how I feel
And I do love all of you.
